

Application No.:

~~A PROCESS FOR PRODUCTION OF CARDS WITH IMAGES AND RELATIVE IMAGE CARD~~

ABSTRACT

A process for the production of image cards ~~comprising the following steps:~~ including printing of a sheet $[(1)]$ so as to obtain a printed sheet $[(1a)]$ with a plurality of images $[(3)]$ disposed in a plurality of windows $[(30)]$, overprinting of decorations $[(43)]$ on said image windows $[(3)]$, deposition of a protective layer $[(50)]$ on said decorations $[(43)]$ so as to fix them and avoid removal of the material from the decorations and punching of said printed sheet $[(1a)]$ so as to obtain a punched sheet $[(1d)]$ with microperforations $[(63)]$ along the perimeter of said windows $[(30)]$ containing the image $[(3)]$.
